

## Welcome to Wild design's Newsletter

### Packaging

We have combined experience in packaging and displays of over 90 years. Over this period, we have managed to establish ourselves as a reliable supplier to various industries. Our customer base is ranging from large multinational corporations to local retailers.

We do offer a wide array of standard solutions that we can adapt to meet your needs and requests. Naturally we also develop complete new packaging projects with your collaboration.

We are the point of contact to sectors such as medical and dental, promotional items, writing instruments and watches, and virtually any gifts and displays provider.

Wild design: Packaging

### Injection Moulding

Alongside from Packaging we do also provide fittings, high quality

Promotional items & Merchandising

Functional medical packaging

plastics parts for the industry, contract packing and logistics solutions.

Our offer range from injection moulding in 1 and 2-components technology, thermoforming, die-cutting, blistering to branding using pad printing and embossing.

We achieve this goal with fully automated machinery and highly skilled professionals.
